A Cleanliness drive was conducted by ITI Ramban on 10-02-2023 under Azadi Ka Amrit Mahotsav (AKAM) by Superintendent ITI Ramban Sh. Baldev Raj and Vocational Instructor Smt. Aqeela Amin and Smt. Iram Wani. along with the trainees of different trades. In this programme more than fifty (50) trainees participated and performed the activity with full dedication and enthusiasm.

The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Under this programme, all the students from different trades had to participate. Even Vocational Instructors were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole Institute. The above mentioned Vocational Instructors started the programme by cleaning the play ground, and then the students followed the suit. Some of them picked brooms and started the job. Some of the students did the dusting of the rooms and office as well. And others went to the play ground and started picking wrappers and pebbles lying scattered there. After collecting them they threw them into the dustbins. In this Cleanliness Drive the main emphasis was given to create "an environment of cleanliness in the Institute" and the job was done successfully.
