An awareness programme on Climate Change held at ITI Ramban on 23-02-2023 under Azadi Ka Amrit Mahotsav (AKAM) by Vocational Instructors along with the trainees of different trades. In this programme more than forty (40) students participated and performed the activity with full dedication and enthusiasm.

The Climate Change Awareness Programme was conducted at ITI Ramban in an interactive manner and lectures were provided by the staff to increase the climate literacy among students, equip them with a better understanding of climate change issues and encourage changes in their attitudes and behavior to enable them to act in ways to sustain the environment. The students were introduced to basic facts of Climate Change and were motivated to practice the 'Green Good Deeds'. The objective of the programme is to create awareness on Climate Change issues such as causes, effects, mitigation & adaptation of climate change. The programme will strengthen the capability of students and teachers for tackling the climate change issues.
