Discussion on Environmental issues was held at ITI Ramban on 03-03-2023 under Azadi Ka Amrit Mahotsav (AKAM) by Vocational Instructors along with the trainees of COPA Trade under the Supervision of Superintendent ITI Ramban. In this discussion nearly fifteen (15) students participated and performed the activity with full dedication and enthusiasm.

In this discussion the trainees discussed the important role of Environmental Science in knowing our Environment. The trainees and Instructors discussed about various issues caused in the environments. They discussed about air pollution, noise pollution, soil pollution and water pollution etc. The Instructors and trainees gave different solutions to these concerned environmental issues. The Instructors and trainees were very much excited as well as concerned while discussing on the above mentioned issues.
